PRESIDENT THOUGHT

Bengal College of Education has been established with the aim of setting high standards in the field of teachers training keeping in view the crucial role played by teachers in shaping the future of nation in particular and humanity at large. We have tried to create high quality facilities in accordance with the norms laid down by National Council of Teachers education and also taken extra efforts in building an infrastructure for around development of the student. We are proud of our highly qualified faculty members, staffs and highly skilled workforce who are fully dedicated in imparting excellent education and training to our students.

Kaizar Biswas
President
Bengal College of Education
